C. Changes to the plan's name

On January 1, 2019, our plan name will change from HAP Midwest MI Health Link to HAP Empowered MI Health Link. The new name will be reflected on ID Cards and other member communications.

D. Changes to the network providers and pharmacies

Our pharmacy network has changed for 2019.

We strongly encourage you to **review our current *Provider and Pharmacy Directory*** to see if your providers or pharmacy are still in our network. An updated *Provider and Pharmacy Directory* is located on our website at www.midwesthealthplan.com/MIHealthLink. You may also call Customer Service at (888) 654-0706, TTY 711, for updated provider information or to ask us to mail you a *Provider and Pharmacy Directory*.

E. Changes to benefits for next year

E1. Changes to benefits for medical services

There are no changes to your benefits for health care services. Our benefits will be exactly the same in 2019 as they are in 2018.

E2. Changes to prescription drug coverage

Changes to our Drug List

An updated *List of Covered Drugs* is located on our website at www.midwesthealthplan.com/MIHealthLink. You may also call Customer Service at (888) 654-0706, TTY 711, for updated drug information or to ask us to mail you a *List of Covered Drugs*.

We made changes to our Drug List, including changes to the drugs we cover and changes to the restrictions that apply to our coverage for certain drugs.

Review the Drug List to **make sure your drugs will be covered next year** and to see if there will be any restrictions.

If you are affected by a change in drug coverage, we encourage you to:

- Work with your doctor (or other prescriber) to find a different drug that we cover.
 - You can call Customer Service at (888) 654-0706 or contact your Care Coordinator to ask for a list of covered drugs that treat the same condition.
 - This list can help your provider find a covered drug that might work for you.
- Ask the plan to cover a temporary supply of the drug.
 - In some situations, we will cover a **temporary** supply of the drug during the first 90 days of the calendar year.

If you have questions, please call HAP Empowered MI Health Link at Call (888) 654-0706 or TTY 711, seven days a week, 8 a.m. to 8 p.m. The call is free. **For more information**, visit www.midwesthealthplan.com/MIHealthLink.

H9712_2019 MMP ANOC; Accepted

- This temporary supply will be for up to 30 days. (To learn more about when you can get a temporary supply and how to ask for one, see Chapter 5 of the *Member Handbook*.)
- When you get a temporary supply of a drug, you should talk with your doctor to decide what to do when your temporary supply runs out. You can either switch to a different drug covered by the plan or ask the plan to make an exception for you and cover your current drug.

If coverage for your drug changes and you receive a temporary supply of a drug, we will contact your doctor in writing. Your doctor can switch you to a different drug covered by the plan or ask us to make an exception for you to cover your current drug.

If you have already been approved to receive a medication, your approval is valid through the date listed on your approval letter. Most exceptions are approved for one year.

Changes to prescription drug costs

There are no changes to the amount you pay for prescription drugs in 2019. Read below for more information about your prescription drug coverage.
