

Member Incentive Programs

Preventive health reminders are sent to members due for services. An incentive form is included to have the member’s doctor sign and return to HAP Midwest Health Plan, verifying that the service was completed. Please call the Customer Service Department toll free at (888) 654-2200 or the Health Management Department at (248) 663-3794 with any questions.

Members are eligible to receive gift cards after they have obtained the following services:
