

FREE
GLUCOMETER PROGRAM

ATTENTION PROVIDERS:

Midwest Health Plan (MHP), along with Bayer Healthcare will provide glucometers **FREE** of charge to our diabetic members. Attached is the form that must be completed in order to receive the **FREE** glucometer. You do not have to complete a MHP referral form, only the attached form.

There are two types of glucometers available, the **Bayer Breeze 2** and **Bayer Contour**. In addition to the glucometer, a **FREE** instructional DVD can also be requested. The glucometer can be shipped to your office for the member to pick up, or mailed directly to the member's home. Once the form is received by Bayer Healthcare, it takes approximately 3 business days for the glucometer to be delivered.

Because diabetic supplies (i.e. alcohol swabs, lancets, and test strips) are billed under the prescription drug benefit, your patient will need a prescription to take to the pharmacy for those items.

If you have questions regarding this program, please call 313-586-6030.
